

CALLING ALL ATHLETES

Improve your game and sharpen your skills at Harvest Sports Camps.

The goal of Harvest Christian Academy's Sports Camps is to provide a safe, challenging experience for each athlete. Camps are directed by the Academy's coaches and assisted by other local coaches and athletes.

We strive to instill in each camper a love of sports and work habits that fully develop their God-given abilities.

Daily devotions challenge every athlete to honor God with their individual athletic ability.

Daily Points of Emphasis

- Individual skill development
- Basic rules and strategies
- Teamwork
- Sportsmanship

Athletes receive a camp t-shirt and are awarded for improvement, attitude, effort, and performance.

All camps located in the Mitchell Swaback Athletic Center unless otherwise indicated.
