

# HARVEST CHRISTIAN ACADEMY

## CARPOOL PERMISSION AND AUTHORIZATION

During this past year many of our families joined with others to carpool to and from school each day. We have included a school directory listed by town in order to help you find other families in your area to car pool with, however, it is your prerogative to contact other families and arrange your car pool. If it is your desire to carpool, we request that you fill out the permission form, below, and return it to the office as soon as possible. You will then be assigned a carpool "alphabet letter" (i.e., A, B, C., etc.) to display when picking up the children in your carpool. The alphabet letter should be used in place of your regular family number **only** when picking up children in your carpool.

Please remember, when you are driving the carpool, you should **only** use your carpool "letter".

If you have any more questions, we would be glad to discuss them with you, please call the school office at 847-214-3500
